This booklet describes how your membership works and sets out the terms and conditions for each part of our service. Your AA Membership Personal and Vehicle Breakdown Cover

A short summary of what's covered under the terms and conditions

We want to be there for you, to get you where you need to go.

That's why we've got the UK's largest breakdown fleet. With 2,500 AA patrols on the road, wherever you are in the UK – an expert is never far away.

So that we can make sure our patrols are available when you need them, we ask all our members to use AA UK breakdown cover fairly and in accordance with our terms and conditions.

- 5. Covered vehicles and drivers**

If you try to use your policy for vehicles or drivers that aren't covered, we may not be able to help, or may have to charge a service fee.

Demands and Needs

Your membership statement and your account in our app (if you have set one up) along with these terms and conditions shows the cover level(s) you have selected. We have a range of cover levels, as shown below:

Cover type	Customer needs
Entry level cover	
Roadside Assistance (including AA Accident Assist)	Provides help when: <ul style="list-style-type: none"> a) you breakdown more than ¼ mile away from home. If, following the breakdown, we can't fix your vehicle, it'll be taken to our choice of local repairer or to a local destination of your choice, provided it is no further; and b) you've been involved in a motor accident (this service works alongside your motor insurance policy – you must still tell your insurer if you have been in an accident).
Additional cover types	
At Home (formerly known as Home Start)	Provides help when you need cover at home or in the surrounding ¼ mile of your home. If we can't fix your vehicle, we'll take you to a local repairer.
National Recovery (formerly known as Relay)	Provides help when you need a recovery to a single UK destination if we can't fix your vehicle.
Onward Travel (formerly known as Stay Mobile)	Provides help when you need a hire car, hotel or public transport costs to keep moving if we cannot fix your vehicle.

Your breakdown policy

Helpful hints to get the best out of your membership

We're here to provide emergency roadside assistance and to get you back on the road in the event of a breakdown or accident in the UK. **If your vehicle has been deemed unrepairable and you need a tow or recovery this will be to one nominated destination only**, and must be arranged at the time of the breakdown or accident.

1

If you break down, just use our app or go to theAA.com or call us on 03330 046 046

- ✔ We'll be there as soon as we can to try to get you going again.
- ✔ If you have had an accident, please call 0330 053 0054.
- ✔ You'll need to be with your vehicle when we attend – make sure you are in a safe place while you wait for us.

2

You'll need to keep your policy up to date at all times. Let us know straight away if:

- ✔ You change your vehicle.
- ✔ You change the name of any drivers (drivers must live at the same address as the main policy holder).
- ✔ You want to add more cover.
- ✔ Your contact details change as all documentation, including important notices, will be sent to last address/email address we have for you.

How to use your policy

3

Really important details that might stop us from helping you:

- ✔ Your vehicle must have valid MOT, tax and insurance to be eligible for cover, unless exempt.
- ✔ You must call us first prior to any work being undertaken by a garage.
- ✔ We'll need proof of your ID before we can provide breakdown help.
- ✔ You must be a member and hold the relevant level of cover or you will have to pay an additional charge for assistance.

4

Other things it's important that you know

- ✔ It's your responsibility to keep your vehicle safe, legal and roadworthy. We can't help you if it's not.
- ✔ We won't attend if you have a breakdown that's within 28 days of a breakdown for the same or similar reasons, including running out of fuel.
- ✔ We can't help if it would involve a breach of the law or of our health and safety duties.
- ✔ You need to report the breakdown within 24 hours of you becoming aware of the breakdown.

What types of cover are there?

Personal Cover is only applicable to the person(s) travelling in the vehicle at the time of the breakdown and is available as:

- ✔ **Single Cover:** Covers the member, as driver or passenger, in any vehicle.
- ✔ **Joint Cover:** Gives one nominated person living at the member's Home Address access to breakdown cover.
- ✔ **Family Cover:** Gives up to three other nominated people living at the member's Home Address access to breakdown cover. Nominated people include students or members of the armed forces who are temporarily living away but are still registered to the home address.

Vehicle Cover covers your vehicle regardless of who is driving.

We will always deal with you, unless you authorise someone else to deal with us on your behalf.

What are the payment options?

Personal and **Vehicle Cover** are available on either an annual or continuous basis:

- ✔ **Annual Cover:** cover is for 12 months and is paid for in a single sum. If you pay for annual cover under a recurring payment authority, for example by direct debit, your cover will automatically renew. You will always be advised of this in advance and have the opportunity to cancel your policy.
- ✔ **Continuous Cover:** cover is paid for monthly but runs on a continuous basis until cancelled.

Some elements of these Ts&Cs will vary depending on your method of payment and we will tell you then this is the case.

Most of our cover can only be used 24 hours after you have bought it. If you have bought cover while you were broken down and/or you need to use it immediately then we will charge an extra fee. We will tell you how much this is when you call us.

Part 1. Breakdown Cover Policy

Definitions

We use defined terms in this booklet to make our terms and conditions as clear as possible, so the words in the table below have the following meaning:

'AA'	the relevant provider of your Breakdown cover being: a) Automobile Association Developments Limited (trading as AA Breakdown Services) for Roadside Assistance, National Recovery and At Home; b) Acromas Insurance Company Limited for Onward Travel; and c) AA Underwriting Insurance Company Limited for AA Accident Assist, or any or all of these insurer(s), as the context requires or allows.
'AA Approved Repairer'	a repairer carefully selected by us to provide the repair element of the AA Accident Assist service to you.
'AAISL'	Automobile Association Insurance Services Limited.
'At-Fault Accident'	an accident that you caused, either through your own admission of liability or based on evidence provided by the involved drivers. In such cases, your third-party liability insurance covers the injuries and property damage of the other driver. Your insurer will pay for your insured losses, such as the repair to your vehicle. You will not be covered for uninsured losses, such as your policy excess. It's important to note that fault for an accident isn't always attributed to a single party; sometimes it involves shared responsibility.
'Breakdown'	an event (excluding an accident): where a vehicle suffers a mechanical or electrical fault that prevents it from being driven or continuing a journey safely.
'Member'	the policy holder named on the membership document/card or AA App (you should let other users of your AA membership know that we may share their details with you).
'Member's Home Address'	the home address of the Member that we have recorded at the time of the relevant Breakdown.
'Membership Year(s)'	the period(s) of 12 months commencing from the start of the membership or from any anniversary of the start of that membership.
'Non-Fault Accident'	an accident where we consider liability/fault rests with the other person.
'Our App'	the AA membership and Breakdown reporting mobile device application.
'Replacement Hire Car'	means a mid-range saloon or hatchback-style car (up to an engine size of 1600cc).

‘Vehicle’

means:

- a) For personal cover, the vehicle which the Personal Member or any Joint or Family Member is travelling in at the time of the relevant Breakdown; or
- b) For vehicle cover, the vehicle which has been registered for cover with the AA at the time of the relevant Breakdown; or
- c) For AA Accident Assist, a vehicle (with 4 wheels with no more than 9 seats including the driver’s seat, within the size and weight limits set out under Vehicle specifications below) which you are the registered owner of and that has a current valid motor insurance policy to the minimum level required under UK law, a valid road fund license (unless exempt) and a current MOT test certificate (unless exempt).

Where we use the phrases ‘we’, ‘us’ or ‘our’ in these terms, we mean the AA.

Where we refer to ‘you’ and ‘your’ in these terms, this means: (1) for personal cover, the member or any joint or family member who has been nominated by the member; and (2) for vehicle cover, the member and any person who is travelling in, and who requests assistance for, the nominated vehicle.

Our services – what is covered and what is not covered

1. Roadside Assistance

What is covered

- a) Roadside Assistance is available if your Vehicle is stranded on the highway more than a quarter of a mile from your home address following a Breakdown.
We'll cover the cost of parts that cost less than £5 based on our retail prices. For parts to be provided in the exceptions mentioned above they must be carried by us or our appointed agent at the time.
- b) Roadside Assistance is only available 24 hours after purchase.
- c) If, following a Breakdown, we can't fix your Vehicle, it'll be taken to our choice of local repairer or to a local destination of your choice, provided it is no further. This includes the driver and up to a maximum of 7 passengers.
- d) If your Vehicle has run out of fuel or charge it will be taken to a local fuelling station, repairer or charge point.
- e) If you wish, we will make a telephone call for you following a Breakdown.
- f) If you and your Vehicle are stranded at the roadside following an accident our expert patrols can provide options for the next steps available to You. Please refer to the full terms and conditions of AA Accident Assist beginning on page 15 for further details.

What is not covered

- a) Fuel and parts (over and above what is specified in the 'What is covered' section of this table), oil, keys and any other materials needed to repair your Vehicle including any supplier delivery service or call-out charges.
- b) Assistance on private property without the relevant permission from the property owner.
- c) Storage costs. We may be entitled to sell your Vehicle if you don't pay pre-agreed fees or collect the Vehicle when we ask you to (and we've given you at least 30 days' notice).
- d) Any other costs that may arise during a recovery. We can't accept any costs for passengers who do not accompany your Vehicle while it's being recovered.
- e) Routine servicing, maintenance or repairs, or faults caused by actions or omissions of the driver.
- f) Where your Breakdown or accident is attended by the police, highways agency or other emergency service, we can't get involved until the services concerned have authorised the Vehicle's removal. If the police, highways agency or emergency service insist on recovery by a third party, the cost of this must be met by you.
- g) Labour charges or any work that occurs once you've been taken away from the scene of a Breakdown or to a garage. These are costs you'll have to pay.
- h) Recoveries not organised at the time of breakdown
- i) A second or subsequent recovery in relation to the same Breakdown event, after your Vehicle has been recovered by us. For example, if the location that you originally asked us to take you to is closed or inaccessible and you later ask us to recover you to that location, the second recovery will be chargeable.
- j) All things excluded under general terms and conditions (see pages 22 to 26).

We can't guarantee that any recovery to a local repairer will be within the opening hours of the repairer, or that the repairer will be immediately available to undertake any work. We'll try to check that the chosen repairer carries out the type of repair work required, but we can't guarantee this. We don't provide any warranty of assurance for any work carried out at your request.

a) AA Accident Assist

AA Accident Assist is a complimentary accident claims service which is available 24 hours a day, 365 days a year as part of your Roadside Assistance cover. As part of this service, we'll handle your insurance claim on your behalf, independently of your insurer. We can also arrange the recovery of your Vehicle and any repairs, as well as replacement transportation to keep you moving.

The amount of support we provide will depend on whether the accident is a Non-Fault Accident or an At-Fault Accident, and is always subject to our discretion. Our decision about the nature of an accident is final. To help us make this decision, you must provide all relevant information as soon as possible following the accident, including: the name and address of the other person(s) involved along with their vehicle and insurance details, the name and addresses of any witnesses (if there are any), as well as any other information we reasonably request from you.

Please remember that AA Accident Assist is: (1) not a replacement for your motor insurance policy; (2) does not remove the legal requirement to insure your Vehicle; and (3) does not cover your liabilities to others.

1) Vehicle recovery

Non-Fault Accidents

- a) We can recover your Vehicle if it's not mobile or unsafe to drive after an accident.
- b) We can also arrange and manage repairs to your Vehicle (as explained in the 'Repairs' section of this summary) and there is no excess to be paid. We can also arrange a Replacement Hire Car via a hire car company (as explained in the 'Mobility' section of this summary). We will pay for these services on your behalf and recover the costs from the at fault driver's insurance company.

At-Fault Accidents

- a) If you will be making a claim on your motor insurance policy, we can recover your Vehicle if it is not mobile or unsafe to drive after an accident. We won't charge you for the recovery if you agree to have:
 - i. Your insurance claim handled by us; and
 - ii. Your Vehicle repaired at an AA Approved Repairer (your insurer must also agree to this).
- b) If you only require us to recover your Vehicle and do not want to use the AA Accident Assist service, you'll be asked to pay a fee up front for this.

2) Repairs

Non-Fault Accidents

- a) We'll take your Vehicle to an AA Approved Repairer. They will carry out an assessment of the damage caused and provide us with a cost estimate. Where the repairs are deemed economical and viable by us, and you agree to use the AA Approved Repairer, we will authorise the AA Approved Repairer to carry out the repairs. We will cover the cost of these repairs based on the estimate prepared by the AA Approved Repairer.
- b) If we consider the repairs to your Vehicle to be uneconomical or unviable, we'll inform you of this and you'll need to claim from motor insurance.
- c) We'll not pay for repair costs when you make your own arrangements for repairs to your Vehicle after the accident.
- d) We'll only pay for repairs to your Vehicle, we will not pay for repairs to any other vehicle.
- e) You agree to us recovering any repair costs in your name and will help us do this. If any costs for repairs that we have paid for are recovered by you or paid direct to you, you must pay such costs to us in accordance with the general terms & conditions (see pages 22 to 26)

At-Fault Accidents

- a) We'll take your Vehicle to the AA Approved Repairer or, if your Vehicle is mobile and safe to drive, we'll arrange the recovery of your Vehicle from your home address.
- b) The AA Approved Repairer will carry out an assessment of the damage caused and request authorisation to proceed with the repairs from your insurer. Where your insurer authorises the repairs, they'll cover the repair and recovery fees.
- c) Where your insurer does not authorise the AA Approved Repairer to proceed with the repairs for any reason, your insurer will inform you and they'll oversee the management of your motor insurance claim. If for any reason your insurer declines your claim, you'll be responsible for the recovery and storage costs.

General points to note regarding repairs

Repairs are subject **always** to the following conditions (whether you are involved in a Non-Fault Accident or an At-Fault Accident):

- a) you agree to use an AA Approved Repairer;
- b) you'll inform us as soon as your Vehicle becomes available for you to drive again;
- c) you'll collect or arrange delivery of your Vehicle when notified by the AA Approved Repairer that your Vehicle is ready for collection or delivery;
- d) if you are VAT registered you'll be liable for the VAT element of the repairs, which you should recover from HMRC; and
- e) we can take details of your claim for AA Accident Assist 24 hours a day, 365 days a year but we cannot guarantee that your Vehicle will be delivered to the AA Approved Repairer during their opening hours, or that the repairer will be immediately available to undertake any required repairs.

3) Mobility

Non-Fault Accidents

- a) We will arrange, and pay for, a Replacement Hire Car if your Vehicle cannot be driven or is considered unsafe.
- b) AA Accident Assist is only available for your Vehicle, and the type of Replacement Hire Car we arrange for you is subject at all times to availability.
- c) If the repair of your Vehicle is deemed uneconomical or unviable and you make an insurance claim (as referenced in the 'Repair' section of this table) we will continue to pay for a Replacement Hire Car but the duration of the hire period will be determined by us. It is your responsibility to keep us updated on the progress of your insurance claim. If you don't, we may stop paying for the Replacement Hire car. Also, if you do not accept a reasonable offer to settle the insurance claim, we may refuse to pay further hire costs.
- d) The provision of a Replacement Hire Car is subject always to the following conditions:
 - i. you agree to us recovering any Replacement Hire Car costs in your name and will help us do this. If any hire costs that we have paid for are recovered by you or paid direct to you, you must pay such costs to us in accordance with the general terms & conditions (see pages 22 to 26;
 - ii. we'll select the Replacement Hire Car (and its supplier) subject at all times to availability;
 - iii. we'll decide the duration of the hire period for the Replacement Hire Car (and our decision is final);
 - iv. you'll enter into a car hire rental agreement with our chosen supplier and you will follow any terms and conditions issued by them;
 - v. you'll inform us as soon as your Vehicle becomes available for you to drive again;
 - vi. you'll return the Replacement Hire Car to our chosen supplier as soon as your Vehicle becomes available;
 - vii. if you are VAT registered you'll be liable for the VAT element of the hire costs, which you should recover from HMRC; and
 - viii. we can take details of your claim for AA Accident Assist 24 hours a day, 365 days a year, but can only arrange delivery of a Replacement Hire Car between 9am and 4.30pm Monday to Friday (excluding public and bank holidays).
- e) Although we will arrange and pay for a Replacement Hire Car:
 - i. we do not cover any other charges arising from your use of the Replacement Hire Car, including but not limited to: fuel, any insurance excess charges, charges arising from damage to the Replacement Hire Car, daily hire charges arising from you keeping the Replacement Hire Car after your Vehicle has been repaired and is ready for collection;
 - ii. we can't arrange a tow bar for the Replacement Hire Car, meaning that your caravan or trailer will, if eligible, have to be recovered under our National Recovery service;
 - iii. we can't guarantee that the Replacement Hire Car will be a hybrid or electric vehicle;
 - iv. we won't pay for Replacement Hire Car costs when you make your own arrangements for car hire after an accident;
 - v. if we've arranged a Replacement Hire Car on your behalf but your insurer is dealing with the damage to your Vehicle, you won't be covered if you fail to keep us updated on the progress of the Vehicle damage and will be liable for the costs of the Replacement Hire Car; and
 - vi. if we become aware that the accident was an At Fault Accident, we won't pay any further Replacement Hire Car costs from the date that we become aware of the change of accident circumstances. We won't seek to recover any costs from you that we have already paid provided the details you supplied at the time of the accident were true and complete.

At-Fault Accidents

- a) Where your insurer authorises the repairs to your Vehicle (as explained in the 'Repairs' section of this summary), the AA Approved Repairer will provide you with a small Courtesy Car for the duration of any repair. This is always subject to availability.
- b) Where your Vehicle is declared a total loss or your insurer does not authorise the AA Approved Repairer to proceed with the repairs, you will not receive a courtesy car from the AA Approved Repairer. You will need to speak with your insurer about your mobility options.

4) General points to note regarding AA Accident Assist

- a) As part of AA Accident Assist, we do not cover:
 - i. any accident that occurs outside England, Wales or mainland Scotland;
 - ii. accidents that arise from your unlawful use of alcohol or drugs;
 - iii. any accident if you're claiming against a person who doesn't have a valid motor insurance policy, or a person who can't be identified or traced; and
 - iv. any accident which your motor insurer has declined cover for.
- b) If you make a false or fraudulent claim for AA Accident Assist (or provide false, misleading or fraudulent statements, information and/or documents in support of any such claim), you will lose the benefit of AA Accident Assist and we may cancel your membership (see page 26 for details). You will not be entitled to a refund of: (1) any benefits of your policy; or (2) any premiums you have paid. We may recover from you any costs paid by way of benefit under your policy. If you make fraudulent statements or provide false information and/or documents to us, we may record this on the anti-fraud databases, and we may notify other organisations.
- c) Where you agree for us to handle your claim as part of the AA Accident Assist service, but you subsequently change your mind once we have already recovered your Vehicle and delivered it to either an AA Approved Repairer or destination of your choice, you will be responsible for paying either:
 - i. the AA recovery fee to the AA Approved Repairer before your Vehicle can be released back to you or your insurer; or
 - ii. the AA directly for the cost of the recovery. We won't be liable for any other costs incurred, including but not limited to additional excess costs.
- d) Where you do not request services from us at the time of a Non-Fault Accident or an At-Fault Accident and/or where you arrange for assistance and recovery services to be provided by another provider, we will make no contribution toward the cost of these services (either to you or the provider).
